SCHOLARSHIPS & FINANCIAL AID

OUR STORY

A private college education can be affordable.

We're here to help you
find the tools you need.

At UP, more than 99% of full-time undergraduate students receive some form of aid—whether that includes grants, scholarships, work-study, loans, or a combination of these options. Our website (up.edu/finaid) is a great place to find more information and you can always contact us with questions at 503.943.7311 or finaid@up.edu.

Merit-Based Aid

Hard work in high school and college has its perks.

All undergraduate students who are accepted to University of Portland are automatically considered for institutional merit scholarships, which are based on academic achievement.

Transfer students who are members of Phi Theta Kappa (two-year honor society) are also eligible for PTK Scholarships, worth up to \$4000 per academic year at UP.

Talent Scholarships

Special talents are rewarded.

Scholarships are offered for Division I athletics, music, and theater. For details, contact the departments directly.

Payment Plans

There’s flexibility in the timing.

To pay for tuition and fees over time, UP partners with Nelnet Campus Commerce (mycollegepaymentplan.com/uportland). More information on payment options can be found on the Office of Student Accounts site (up.edu/studentaccounts/payment-options).

Need-Based Aid

Most families need a helping hand.

To be considered for need-based aid, students and their families must complete the Free Application for Federal Student Aid (FAFSA). It’s available on October 1 at studentaid.gov. Our financial aid office uses the FAFSA to determine individual aid packages, which can include grants, loans, federal work-study, and scholarships. More details concerning eligibility, programs, and the application process are available at up.edu/finaid.

We acknowledge the land on which we sit and which we occupy at University of Portland. “The Portland Metro area rests on traditional village sites of the Multnomah, Wasco, Cowlitz, Kathlamet, Clackamas, Bands of Chinook, Tualatin, Kalapuya, Molalla, and many other tribes who made their homes along the Columbia River creating communities and summer encampments to harvest and use the plentiful natural resources of the area” (Portland Indian Leaders Roundtable, 2018). We take this opportunity to thank the original caretakers of this land.
