WELCOME TO UP!

Congratulations on your acceptance to University of Portland!

Please use this packet to help you complete the enrollment process in becoming a student at UP. Soon after you submit your enrollment confirmation and deposit ( submission or postmark deadline May 1), you will be able to access PilotsUP, our student portal and central location for accessing the tools needed during your time here on The Bluff. Read through this information carefully and review when items need to be completed on the “Check Off Your To Do List” pages so you are ready for the start of the fall semester on August 29, 2022.

Check out our Admitted Undergraduates page for more detailed information about becoming a UP student at up.edu/admissions/admitted-undergraduates. There you will also find a link to the University Calendar to see semester start and end dates, as well as University of Portland vacation days.

As always, please do not hesitate to contact us in the Office of Admissions at 503.943.7147 or admissions@up.edu if you have any questions. You are also welcome to schedule an in-person or virtual visit at up.edu/visit. We look forward to welcoming you to University of Portland.

Best Wishes,

Office of Admissions
FINANCIAL AID AND SCHOLARSHIP OPPORTUNITIES

Dates to Know

Available October 1
The 2022-23 Free Application for Federal Student Aid (FAFSA) becomes available at studentaid.gov/fafsa and is the only application necessary to apply for financial aid at UP. Students are encouraged to complete the FAFSA in October. FAFSA income information is based on 2020 tax returns. Estimated offer letters will start being mailed in early December. If your family’s financial circumstances have changed since filing your 2020 federal taxes, contact Financial Aid for guidance.

Available November 1
Oregon Residents: Go to oregonstudentaid.gov to apply for 500+ scholarships from the Office of Student Access and Completion (OSAC). The early bird deadline is February 15.

January 15
Priority FAFSA receipt deadline: Date for the Office of Financial Aid to receive your FAFSA for priority processing and maximum consideration for certain limited funds.

July 15
Priority paperwork deadline: Submit additional paperwork, such as loan applications and verification documents (if selected), to the Office of Financial Aid for processing prior to the start of fall semester.

Scholarships
If you qualify for a UP merit-based or international student scholarship, your award will be included with your acceptance letter. Contact the Office of Admissions if you have questions.

Are you interested in music, theater, Air Force or Army ROTC, or D-I athletics scholarship possibilities? Contact these departments directly for details.

University of Portland honors outside scholarships. Contact the Office of Financial Aid to see how outside scholarships will affect your financial aid package. Explore scholarship options at up.edu/finaid/scholarships-and-grants.

ACCESS YOUR PILOTSUP PORTAL AND EMAIL

Shortly after you submit your enrollment confirmation and deposit, you will be emailed a UP username, email address, and instructions on how to access your PilotsUP portal from the Office of Admissions. At that time you will set up your University network password.

Login regularly to PilotsUP to view important announcements and access your UP email and other important tools. Departments will use your UP email to communicate with you.

Before coming to campus, visit up.edu/is/support/new-student. You will find information about services, support, and recommended technology you may wish to bring with you to campus. Please note that we provide Microsoft Office and links to recommended free anti-virus software to all current students. An anti-virus product must be installed on your personal computer to access the campus network.

We also have a website for parents at up.edu/parents. You can authorize a parent or other proxy to view some of your UP Self-Serve student information, such as payment options, your financial aid offer, and class schedule.

Questions? Contact the Technology Help Desk:

Chat Support available at support.up.edu
HOUSING APPLICATION AVAILABLE DECEMBER 1
After confirming enrollment and setting up access to your PilotsUP portal, go to up.edu/residencelife and click on the link “Apply - New Student” or go directly to the application at up.erezlife.com. You will need your UP username (not email address) and password you set up for PilotsUP. You will receive your room assignment and roommate contact information via your UP email in June. The preferred deadline to submit your housing application is May 10. As a first-year student, you are guaranteed housing, but if you apply after May 10 we may not be able to honor roommate requests. To view some of our residence halls and rooms, you may attend a visitation day or Weekend on The Bluff. One hall will be visited on weekday campus tours. Videos of each hall are also on up.edu/residencelife.

QUESTIONS? CONTACT RESIDENCE LIFE:

DEPARTMENT OF CAMPUS SAFETY: CARS, BIKES, AND PUBLIC TRANSPORTATION
Portland is a bike-friendly city that is easily accessible without a car. UP works with the city of Portland to reduce the amount of vehicle traffic it contributes to the metro area. Therefore, first-year students are not allowed to have cars on campus unless approved with an Application for Exception.

The Department of Campus Safety offers free bike registration tags and sells bike locks (we recommend U-Locks). Other options for getting around town are taking the bus, streetcar, and MAX (light rail) with a Hop Fastpass. Information can be found at myhopcard.com.

MAILING PACKAGES TO CAMPUS FOR MOVE-IN AND BEYOND
Printing and Mailing Services will accept packages for students living on campus in Fall 2022 starting August 8. When addressing packages, include first or preferred first name and last name, University of Portland, residence hall and room number, and the University street address (5000 N Willamette Blvd, Portland OR 97203).

Printing and Mailing Services is open Orientation weekend from 9 a.m. to 3 p.m. if you would like to pick up packages you mailed to campus.

QUESTIONS? CONTACT PRINTING & MAILING SERVICES: 503.943.7179; packages@up.edu; up.edu/mail
Start the registration process by completing the New Student Registration and Advising Survey available in Spring 2022. A link will be emailed to your UP email address. Please complete the survey by May 10 (see checklist). Each professional school and the College of Arts and Sciences work to create schedules toward the completion of a four-year degree based on academic requirements and survey responses. Program counselors build schedules between May 10 and August 1. Schedules are subject to change through the first week of classes, due to multiple factors such as receipt of AP scores and college transcripts for credit. If you have interests beyond a traditional program (e.g. NCAA athlete, ROTC participant, taking an international language, participating in music), please contact your school starting May 10, when we begin creating schedules.

A typical schedule includes 15-18 credit hours per week. Classes are offered one, two, three, and sometimes four days per week.

Send all final high school transcripts, AP and IB test scores, and transfer credits to the Office of Admissions by July 1. If scores or transcripts aren’t available until after July 1, send them as soon as they are available.

**Changing Your Major**
Contact the Office of Admissions as soon as possible if you plan to request a change of major (admissions@up.edu). All major change requests through the first week of fall semester must be made through the Office of Admissions. Please note: After May 16, students will be unable to change their major to nursing if requested.

**School Contacts**
**College of Arts and Sciences** will call incoming students to begin the registration process starting in early May.

**First-year declared and undeclared majors:**
503.943.7221; cas@up.edu

**Dr. Robert B. Pamplin, Jr. School of Business** will call incoming students to schedule a phone appointment starting in mid-May.
Molly Cullen: 503.943.7224; cullenm@up.edu or psoba@up.edu
School of Education will contact incoming students to discuss classes and field experience. Students will be emailed when their fall schedules are ready.
503.943.8124; soed@up.edu

Donald P. Shiley School of Engineering Engineering and computer science curricula for the first year is a fairly set schedule to best prepare you for completing graduation requirements. Your program counselor will contact you to set up an initial advising appointment to confirm your schedule. Note that your math and science courses in your first semester are based on the results of your Calculus Placement Test (see checklist on page 7 for more information), which is required for all incoming first-year students, including those who may have credit for Calculus through AP/IB exams or college transcripts. Your schedule will be emailed to you.
Tyler Ciokiewicz: 503.943.7180; ciokiewi@up.edu

School of Nursing registration for both integrative health & wellness and nursing begins on May 10.

Integrative Health & Wellness majors: Your program counselor will contact you to discuss class schedules.
Kyara Pagkatipunan: 503.943.8141; pagkatip@up.edu; general questions can be addressed to integrativehealth@up.edu

Nursing majors: The nursing curriculum for the first year is a fairly set schedule to best prepare you for completing graduation requirements. Your schedule will be emailed to you. Please note: After May 16, students will be unable to change their major to nursing if requested.
Kyara Pagkatipunan: 503.943.8141; pagkatip@up.edu; general questions can be addressed to nursing@up.edu
Get Started

☐ Confirm Enrollment
Deposit must be submitted or postmarked by May 1 (enrollment instructions on insert).

☐ Access the PilotsUP Portal
Instructions will be emailed to your preferred email address within 5 days of confirming enrollment.

☐ Apply for Housing
Available December 1; due May 10. Go to up.edu/residencelife and click on the link “Apply - New Student” or go directly to the application at up.erezlife.com.

☐ Contact Accessible Education Services (AES) to request accommodations (if applicable)
Students with disabilities should contact AES upon confirming enrollment to UP and submit documentation of disability to formulate an accommodation plan. Requests for housing accommodations are due May 10. Contact Accessible Education Services: 503.943.8985; aes@up.edu.

Get Going

☐ International Students Apply for a Visa or Transfer SEVIS Record
Applicable support documents will be requested or included with your acceptance letter. Contact International Student Services: 503.943.7367; iss@up.edu.

☐ Complete the New Student Registration and Advising Survey
Due May 10. A link will be emailed to your UP email address.

☐ Take the Math Placement Test for Calculus (if required)
Available March 15; due May 10. All students interested in or required to take MTH 201 (Calculus) are required to take the math placement test as part of the math placement process regardless of AP or IB credit for calculus. If you are in a major requiring calculus (chemistry, computer science, engineering, environmental science, math, and physics), instructions will be emailed to you and the test will be accessible online on Moodle. If you are not in a major requiring calculus, but need to take Math 201, please email mathplacement@up.edu.

☐ Take the Language Placement Exam (if applicable)
Due May 10. Contact your UP school in early May if you are interested in taking language courses in Chinese, French, German, or Spanish. College of Arts & Sciences B.A. degree programs require intermediate-level mastery of a second language. More information about language requirements can be found at: college.up.edu/ilc/placement-and-assessment.html.
CHECK OFF YOUR TO DO LIST

☐ Course Registration
Registration begins May 10. See pages 5 & 6 for more information.

☐ Pre-Order Textbooks
After your class schedule is finalized (generally August 1), go to upportland.bncollege.com or up.edu and select the bookstore link on the menu to order textbooks. Email bksuportland@bncollege.com with questions.

☐ Send official documents to Admissions (required)
Due July 1. Final High School Transcripts, College Transcripts, AP, IB & A-level and AS-level Test Scores. AP scores of 4 & 5 and IB scores of 5, 6, or 7 (HL only) may be eligible for college credit. Advanced Level (A-level) or Advanced Level Subsidiary (AS-level) exams with a passing grade may be eligible for college credit. Please have transcripts sent electronically or mailed to:

Office of Admissions
University of Portland, 5000 N Willamette Blvd, Portland OR 97203

☐ Pay Your Fall Tuition
Due August 1. First invoice is emailed to your up.edu email account in early July. Go to up.edu/studentaccounts for information on payment options.

Complete Forms

☐ File a FAFSA at studentaid.gov/fafsa
Available October 1. File by January 15 for priority processing and maximum consideration.

☐ Immunization Records (required)
Input your immunization records in the student health portal at hccportal.up.edu.

☐ Health Insurance Waiver (if applicable)
Available mid-July; due September 2, 2022. If you have comparable existing health insurance, you may complete a waiver so you will not be billed for University group insurance. Your insurance will be audited to verify it meets the University definition of comparable coverage offering both emergency and non-emergency care in the Portland area. Plans not providing coverage in the Portland area will not be accepted. Information available at: up.edu/healthcenter/primary-care/costs-and-insurance.

☐ Student Release of Information and Parent Proxy (recommended)
Authorize a parent or other individual to view portions of your UP Self-Serve information. Go to up.edu/parents for instructions.

☐ Sign up for Direct Deposit
To receive student account refunds, paychecks, volunteer stipends, and miscellaneous reimbursements, set up direct deposit at https://pilots.up.edu/group/controller/direct-deposit.

☐ Complete the New Student Technology Checklist
Visit up.edu/is/support/new-student and follow the instructions.

☐ Submit your photo and pick up your UP ID Card
A UP ID card is required to access your residence hall, academic buildings, meal plans, and more. In order to receive a card when you arrive in the fall, you must submit a photo. More information will be sent in the spring about how and when to submit your photo.

☐ International Student Orientation
New international students are required to attend orientation sessions on August 24 & 25. Early move-in access will be available; details will be sent in July.

☐ Move-In and Attend Orientation
Residence Halls open at 9 a.m. on Thursday, August 25; Orientation begins that evening and ends Sunday, August 28. Information about Orientation activities will be available in March and specific details will follow in late-July. You will take an online pre-orientation course prior to your in-person Orientation. This includes details about campus culture, the core curriculum and academic resources, student support and campus involvement. Once completed, you will receive a checklist to help you prepare for your arrival on campus. More information can be found at up.edu/orientation. Classes begin Monday, August 29.
ON-CAMPUS OPPORTUNITIES

☐ **Weekend on The Bluff – April 9**
An Admissions Welcome for accepted students and families! Meet the University’s leadership, faculty and staff, current students, and prospective classmates. Attend academic, campus experience, and campus services sessions. Tours are available throughout the day. Look for a link to online registration in your personal email inbox by early March.

☐ **Leaven: Incoming Students Retreat – July (Dates TBD)**
Pre-Orientation immersion for students interested in developing their spiritual lives while at UP. There is no cost to attend and all faith backgrounds are welcome. More information at [up.edu/campusministry](http://up.edu/campusministry). Click on “Retreats and Pilgrimages.”

☐ **UP Connections Retreat & Yearlong Mentorship Program – Retreat August 23-25**
UP Connections is a yearlong mentorship program that kicks off with an overnight retreat during pre-orientation. It is designed to support Queer, Trans, Black, Indigenous, People of Color (QTBIPOC), first generation, mixed raced, and historically underrepresented students with their transition to UP. Space is limited; please email [upconnections@up.edu](mailto:upconnections@up.edu) with any questions. Online registration is available mid-June. For more information, visit our website at [up.edu/inclusion/dip/up-connections](http://up.edu/inclusion/dip/up-connections).

☐ **Plunge Into Your Neighborhood Experience – August 23-25**
Pre-Orientation opportunity sponsored by the Moreau Center for Service and Justice. Online registration is on a first-come, first-served basis beginning May 15 at [up.edu/moreaucenter](http://up.edu/moreaucenter).

☐ **Pilots VIP Night, University Bookstore – August (Date TBD; during Orientation), 9 p.m. – 11 p.m.**
During Orientation, get to know our campus bookstore by enjoying games, food, music, special discounts, and prize drawings! You may also pick up your textbooks while you are here.
