The numbers highlighted in yellow are the number of seats open to continuing students. The number in the title of the class are the number of seats reserved for incoming students (ex - ## RESVD FTF). FTF Only means all seats in that section are reserved for incoming freshman. If you are a continuing student, you will not

be able to register for seats reserved freshmen. These spots are reserved until August 1st, 2019. If seats are available after August 1, you may try using your PIN to access the seat. If that does not work, please contact your Program Counselor.
