- Staff RN, Inpatient Surgical Services   July 2008-February 2009
  - o Provided total care of up to 6 surgical inpatients during a shift
- Staff RN, Psychiatric Services   July 2008 – January 2009
  - o Provided care of up to 5 inpatient psychiatric patients during a shift

Licenses and Certifications

- Certified Healthcare Simulation Educator   2018 - Present
- Washington RN License   2008 - Present
- Oregon RN License   2016 - Present
- Pediatric Advanced Life Support Instructor   2010 - 2014
- Pediatric Emergency Assessment, Recognition and Stabilization Course Instructor 2013 - Present
- Basic Life Support Instructor   April 2012 - Present
- Emergency Nursing Pediatric Course (Provider)   2012 - Present

Education

- University of Phoenix   November 2011 – December 2013
  - o Master of Science in Nursing with an emphasis in Education
    - ▪ Practicum Project: Created Pediatric Asthma Educational Packet to be provided at hospital discharge to families of children with asthma
- University of Portland School of Nursing   August 2004 – May 2008
  - o Bachelor of Science in Nursing

Presentations

- "**Onboarding, Standardization, and a Team Based Approach to Working with Standardized Patients in a Nursing Simulation Program",** Association of Standardized Patient Educators Conference, Podium Presentation acceptance, Portland, OR,
June 2020, Virtual Presentation TBD

- **"A Pilot Implementation of an Interprofessional Dedicated Education Unit",** Western Institute of Nursing Virtual Conference, Poster Presentation
April 2020, Virtual

- **"Engaging Standardized patients to Enhance Fidelity in a Concept-Based Simulation Program",** Podium Presentation at American Association of Colleges of Nursing Baccalaureate Education Conference
November 22nd, 2019
