

Carol E. Craig

Academic Preparation

Executive Management Training	2006	Wharton School of Business University of Pennsylvania
Family Nurse Practitioner	1995	University of Wisconsin
Ph.D. Nursing	1991	University of Colorado
M.S. Nursing	1984	University of Alaska
B.S. Nursing	1982	University of Alaska
A.D. Nursing	1977	Lane Community College
B.A. Cultural Anthropology	1971	University of California

Professional Experience

May 2013 to Present: Professor, University of Portland School of Nursing

- teach in undergraduate and graduate programs
- curriculum development in undergraduate and graduate programs
- promote new designs for clinical curriculum
- mentor new faculty in scholarship and curriculum development
- IRB review of all school of nursing scholarship
- accreditation leadership

October 2008 to May 2013: Associate Dean for Undergraduate Programs and Professor, University of Portland School of Nursing

- develop resources for new programs and campus development
- maintain curriculum oversight for undergraduate programs
- oversee accreditation standards for undergraduate programs and maintain compliance
- develop new curriculum and programs for undergraduate students
- evaluate curriculum for undergraduate programs
- mentor faculty and staff

September 1998 to October 2008: Associate Professor, Oregon Health Sciences Center School of Nursing

Director of Academic Programs on the Klamath Falls campus from July, 2003

- develop resources for new programs and campus development
- teach in undergraduate, RN to BS and graduate nursing programs
- develop new curriculum and programs for on-site and distance learning
- recruit and manage faculty and staff
- develop and maintain simulation center for undergraduate and post-graduate education
- do research with rural populations with chronic health conditions

June 1998 to Present: On-Site Evaluator, Commission on Collegiate Nursing Education

- provide onsite review of baccalaureate and graduate nursing programs for accreditation
- team leader for numerous onsite evaluation teams
- national consultant for accreditation

June 1995 to June 1998: Family Nurse Practitioner, Flagstaff Community Free Clinic.

- provide primary care for clients throughout the lifespan

September 1994 to September 1998: Project Director, Flagstaff Community Free Clinic Training Grant.

- develop and manage operations of a primary care clinic for a medically underserved rural population
- coordinate and evaluate clinical educational experiences for NAU health professions students

August 1991 to May 1998: Assistant/Associate Professor, Northern Arizona University, Dr. Eileen Breslin, Department Chair

- teach in undergraduate, RN to BSN and graduate nursing programs
- interactive TV course development and instruction
- graduate program curriculum development
- co-chair of graduate program

October 1990 to May 1991: Clinical Instructor, University of Colorado Health Sciences Center, Denver, Colorado

- instruct undergraduate and graduate nursing students in management and administration and first semester medical-surgical nursing

September 1989 to August 1991: Research Assistant, Rural Home Care Study

University of Colorado Health Sciences Center, Denver, Colorado

- conduct ethnographic interviews of caregivers and elderly recipients of home care in rural Colorado
- computer entry and analysis of data
- teach continuing education courses to nurses in rural areas around Colorado

August 1988 to August 1991: Instructor and Research Assistant

University Hospital, Denver, Colorado

- assist staff nurses at University Hospital who were doing clinical research in research design, analysis and evaluation
- teach continuing education classes in research techniques and computer analysis
- coordinate activities of the nursing research committee

May 1986 to August 1988: Assistant Administrator for Patient Care Services

Charter North Hospital, Anchorage, Alaska

- administrator for all clinical services offered by the hospital
- Director of Nursing

- develop an extensive orientation system for clinical employees
- design and implement treatment planning and auditing systems
- develop the first hospital-wide standards of care
- teach continuing education classes for professional and public groups
- develop a continuing education program for rural hospitals
- conduct a bi-weekly radio program on mental health issues

August 1987 to August 1988: Clinical Instructor

University of Alaska, Anchorage, Alaska

- teach undergraduate students in psychiatric nursing
- develop first joint practice position for School of Nursing

December 1984- May 1986: Director, Psychiatric Emergency Team

Charter North Hospital, Anchorage, Alaska

- develop and implement first psychiatric emergency team in Alaska
- provide crisis management, psychiatric assessment, and emergency services –provide extensive public speaking and community education

August 1983 to December 1984: Graduate Teaching Assistant

University of Alaska, Anchorage

- teach basic assessment and clinical skills to undergraduate nursing students
- develop self-instruction modules on basic clinical skills

May 1984 to December 1984: Staff Nurse, Psychiatric Unit

Providence Hospital, Anchorage, Alaska

- staff nurse for an 11 bed psychiatric unit in a general hospital.
- develop group materials for didactic groups, led process groups and did individual counseling.

October 1982 to October 1983: Nurse/Counselor

Veterans Administration, Alcohol and Drug Treatment Unit, Anchorage, Alaska

- develop programs for the new unit and wrote the nursing policies and procedures
- establish an outpatient detoxification clinic, developed materials for group counseling

May 1980 to October 1982: Nurse Coordinator

Clitheroe Alcohol and Drug Treatment Services, Anchorage, Alaska

- screen clients for services, did crisis counseling and physical exams, and provided care during acute withdrawal
- develop and implement outpatient detoxification clinic

August 1977 to August 1979: Staff Nurse

Seward, Alaska

- provide general duty staff nursing
- develop in-house continuing education program
