EDUCATION

University of Wisconsin-Madison Madison, Wisconsin
School of Education, Department of Educational Leadership and Policy Analysis
Ph.D., Educational Leadership and Policy Analysis
Degree Awarded 2003

Portland State University Portland, Oregon
College of Arts and Sciences
M.A., English
Degree Awarded 2000

Lewis and Clark College Portland, Oregon
Graduate School of Education and Counseling
Advanced Study, Teacher Education, 1997-1998

University of Oregon Eugene, Oregon
College of Arts and Sciences
Dual B.A., English and History
Degree Awarded 1992

PROFESSIONAL EMPLOYMENT AND EXPERIENCE

University of Portland 2008 to Present
Portland, Oregon

Associate Professor
School of Education

Teach undergraduate and graduate courses to pre-service teachers and administrators as well as practicing teachers and administrators. Conduct research and policy analysis on the relationship between higher education and K-12 education and mass media and technology. Research marketing and advertising of K-20 education by studying images of education in the media. Analyze the relationship between education and commercial interests and the policy implications of commercialism in schools. Advise undergraduate students in the School of Education. Serve on various school and university committees. Represent the University's interests across the state and nationally through association memberships and various professional affiliations.

University of Portland
Portland, Oregon

2013 to Present

Program Coordinator
Humor Project

The Humor Project at the University of Portland is just starting but will be something pretty cool someday. Check back here soon for more details.

University of Portland
Portland, Oregon

2012 to 2014

Director, Center for Innovation
Center for Leadership, Entrepreneurship, and Innovation

The Center for Innovation at the University of Portland provides opportunities to make tangible many of the innovative ideas and practices that occur at the university and among its faculty and students. It also provides support and programming to emerging innovation as it seeks to expand the university's capacity and advance its innovation potential. As director, I oversaw co- and extra-curricular activities as they related to workshops, emerging Innovation Scholars Program, Innovation Faculty Fellowships, and other related programming.

Washington State University
Pullman, Washington

2003 to 2008

Assistant Professor
Department of Educational Leadership and Counseling Psychology

Contributed to program development in the areas of higher education and K-12 education. Conducted research and policy analysis on the relationship between higher education and K-12 education and mass media and technology. Researched marketing and advertising of K-20 education by studying images of education in the media. Analyzed the relationship between education and commercial interests and the policy implications of commercialism in schools. Taught graduate courses in school public relations, media literacy and education, policy analysis, higher education law and ethics, organizational theory, and supervised higher education master's practicum. Faculty member of the Washington State University Field-Based Superintendent's Certification Program. Advised doctoral and master's candidates and worked as a committee member for PhD, EdD, MA, and EdM degrees.

University of Wisconsin-Madison
Madison, Wisconsin

2000-2003

Teaching Assistant/Project Assistant
Department of Educational Leadership and Policy Analysis

Collaborated with Professor Paul Bredeson in many teaching and research activities. Co-taught

courses that included education practitioners and full-time graduate students. Classes taught: Research Methods and Procedures in Educational Administration; Instructional Leadership and School Improvement; and, Professional Development and Organizational Learning. Collaborated with senior researchers on several research and administrative projects. Research activities included researching and editing a book, *Designs for Learning: A New Architecture or Professional Development in Schools* (Bredeson, P.V., 2003), manuscript preparation, library searches, and literature reviews. Administrative activities included organizing conferences, working with an AERA division proposal review team, and assisting senior researchers with their scholarly pursuits.

Literature and Writing Instructor
The PEOPLE Program

2001- 2002

The PEOPLE Program (Pre-College Enrichment Opportunity Program for Learning Excellence) seeks to increase enrollment and graduation by ethnic minority and low-income students in institutions of higher education, particularly at UW-Madison. Taught literature and writing in the pre-college program on the University of Wisconsin-Madison campus to high school freshman and sophomores.

Memoir Writing Instructor
Madison Senior Scholars Summer Institute

2001

Designed and taught memoir writing to senior citizens three days per week. Designed with the intention of giving seniors skills for recording their own personal narratives.

Outdoor Educator
Rutabaga Outdoor Programs

2001- 2003

Taught canoeing and kayaking classes which included introductory through advanced courses designed to introduce and improve skills in paddle sport areas. Led and taught small to medium sized group classes alone and taught larger classes in tandem with another instructor.

Madison Area Technical College
Madison, Wisconsin

1999 - 2003

College Instructor, Arts and Sciences

Taught a variety of classes in the Arts and Sciences Division, including literature, writing, and public speaking. Led classroom discussions and offered individual attention to students in need; maintained open communication with students, colleagues, and administrators; and, promoted and supported intellectual curiosity for students.

Valley Catholic High School
Beaverton, Oregon

1997-1999

High School Teacher
Department of English & Department of Social Sciences

Taught the following classes for 9 – 12 grades: world literature, anthropology, English as a Second Language, and finance/economics. Performed service as needed and also worked on a committee to

redesign the English curriculum.

St. Thomas More School

1996-1997

Portland, Oregon

Middle School Teacher

Language Arts

Taught language arts for grades 6 - 8 and served as a member of the Department of Language Arts and the Middle School Team. Classes taught included: literature, grammar, and writing.
