

## Student Learning Outcome Assessment Report

Program: \_\_\_\_\_

Contact Person: \_\_\_\_\_

Academic Year: \_\_\_\_\_

Email or phone: \_\_\_\_\_

### **Student Learning Outcome:**

*What outcome was measured?*

### **Previous Assessment:**

*When had this outcome previously been measured? What improvements have since been implemented?*

### **Implementation:**

*How and when was the outcome measured? Was it measured over multiple courses or experiences?*

### **Involvement and Analysis:**

*Who was involved in reviewing and analyzing the data? When did this analysis take place?*

### **Results:**

*What were the results of the data collection and analysis?*

### **Improvements:**

*Based on this data and these results, what changes are recommended? When will these changes be implemented?*
