

SEND A LETTER FROM HOME!

Knowing that the coming weeks will be a time of transition, show your student that you're thinking of them by sending a letter from home! Use the **online stationary template** to craft a note of encouragement that we will deliver for you by the end of September.

WHAT TO INCLUDE?

- Tell them how proud you are!
- Give some encouragement for a difficult day
- Share a piece of college advice from your experience
- Revisit a favorite shared memory
- Tell a funny story or joke
- Remind them to keep in touch

Please email your completed letter to parents@up.edu by September 20. Feel free to use the online template, or just send the text you'd like to include.

IN YOUR EMAIL, PLEASE INCLUDE:

- Your student's first & last name (no nicknames)
- Residence hall & room number

THANK YOU!
