## *Pilot Kids Camp*

Summer is a great time for children to play, learn and make new friends. The Pilot Kids Camp provides a safe and supportive environment for them to do just that!

Counselors at the Pilot Kids Camp are University of Portland students, many of whom are Education majors. Our staff will fill your child's week with excitement and discovery.

Activities include arts & crafts, sports, active games, quiet games and drama. The camp is Co-Ed and serves children entering grades 1-6. At times the whole group is together and at others they are in smaller groups. Even if they are not in the same group, there will always be part of the day when siblings and friends will be together.

Your child will grow, learn, make new friends and have a blast at the Pilot Kids Camp!

*Summer is short.  
Make sure you  
join the fun at the
