Students who wish to return to Haggerty & Tyson, or to live with someone returning to Haggerty & Tyson, are eligible for priority pre-placement in an apartment if a housing application for every person in their group is received by the February 10 deadline. At least 50% of an apartment's residents must be returning for those residents to be eligible for priority pre-placement.

Each group must register on the pre-placement sign-up form to attend a pre-placement selection night. More information will be sent to those who sign up.
