

Sample First Semester Class Schedules for Engineering Students

Please note that your schedule may vary from the sample schedules below based on AP/IB/Transfer credits, study abroad interest, etc. All students will be registered for 15-17 credits.

Sample #1

CORE 101 Anchor Seminar
EGR 110 Introduction to Engineering
MTH 201 Calculus I
CHM 207/277 Chemistry with Lab
Core course
Core course

Sample #3

CORE 101 Anchor Seminar
EGR 110 Introduction to Engineering
MTH 112 Precalculus
CHM 207/277 Chemistry with Lab
Core course
Core course

Sample #2

CORE 101 Anchor Seminar
EGR 110 Introduction to Engineering
MTH 201 Calculus I
CS 203/273 Intro to Computer Science with Lab
Core course
Core course

Sample #4

CORE 101 Anchor Seminar
EGR 110 Introduction to Engineering
MTH 202 Calculus II
PHY 204/274 Physics I with Lab
Core course
Core course
